# Group Overnight Adventures

at John Ball Zoo

---

**See the zoo in a new light and have a fun filled, learning adventure at night!**

---

Come to the zoo after hours and enjoy a variety of activities for just your group. Most overnights include group activities, an up-close animal presentation, behind the scenes tours, and a campfire.

All you need to bring is a sleeping bag, pillow, basic necessities and a positive attitude and we will camp out on the covered deck of our chimp exhibit (inside accommodations are available as well)
