# ZOOFARI CLASSES

Zoofari Classes are a fun and interactive way to get your child WILD about animals! All classes include hands-on learning, up-close animal encounters, craft-making, plus much more!

All 3-4 year old classes held Fridays from 10:00 AM-12:00 PM

## Sept. 16 - Farm Friends

E-I-E-I-O! Just like Old McDonald, JBZ has a barnyard full of critters! Get a chance to learn through touch, smell, and sound about the animals that live on a hobby farm!

## Oct. 7 - Birds of a Feather

Fly on over to learn more about our fine feathered friends! We will discover the secrets behind why some birds can or cannot fly, how they lay eggs, plus meet some amazing birds!

## Nov. 11 - Rockin' Reptiles & Awesome Amphibs

Slither or hop to the Zoo to find out more about our scaly & slimy friends! Learn why frogs & toads are vital to the world and why snakes are not as scary as they seem!

## Dec. 2 - Underwater Wonders

Dive in and explore our underwater world! We'll investigate aquatic habitats, see how animals live completely underwater, and even meet a few underwater dwellers!

## Feb. 10 - Playtime Pals

Class Location: GR Children's Museum

Whether you have fingers & toes or paws & claws bubbles, balls, and bells make great play toys! Join us at the GR Children's Museum to learn why playtime is so important for both animals and people.

## March 2 - Mammal Mania

Discover all the planet's different mammals! From the lion's thick mane, to a porcupine's quills, you'll see all the different mammal hairstyles, and touch some of the softest animals!

All 5-6 year old classes held Saturdays

## Sept. 17 2:00-4:00 African Safari

Have the most WILD trip to Africa without needing a passport! We will traverse through JBZ's African region to discover & learn about some of the world's most popular animals.

## Oct. 8 2:00-4:00 Critters of the Night

When you go to bed at night, many animals are just waking up. Explore what it means to be nocturnal and meet some "creatures of the night".

## Nov. 5 2:00-4:00 Eat or Be Eaten

To eat or be eaten... that is the question! Learn more about predator and prey animals, how various animals find or catch their food, and learn why these animals could not survive without each other.

## Feb. 11 10:00-12:00 The Animal In Me

Class Location: GR Children's Museum  
Swing like a monkey, screech like an owl! People and animals share many traits. Join us and a couple animals at the Children's Museum to discover how to bring out your WILD side!

## March 3 10:00-12:00 Trekking America

Rainforests, deserts, swamps, and prairies - the Americas have it all! Trek all over North and South America in just a couple of hours to discover some of nature's most interesting animals. See snakes who play dead, large rodents who swim and more!

All 7-8 year old classes held Saturdays from 10:00 AM-12:00 PM

## Sept. 17 - Expedition in da' Kitchen

Jell-O popsicles for bears? Mirrors for parrots? Just like people, animals love treats & toys! Join us in learning what special enrichment items we give to the animals and get a chance to make your own.

## Oct. 8 - Animal Paparazzi

All over the world researchers and camera crews follow wild animals in order to learn more and get the perfect snapshot. Join us at the zoo to become an animal researcher/photographer. Personal cameras are welcome, but not required.

## Nov. 5 - Zooper Heroes

Spiderman, Batman, the Penguin! All sorts of super heroes and villains have used animals as an inspiration or source for their incredible powers. Learn how amazing and almost supernatural our critters can be!

## Jan. 14 - Animal Time Warp @ GR Public Museum

Throughout history people and animals have interacted in many ways. Join us at the museum for this WILD class as we travel through time to see how people & animals together built cities, survived wars, and became life-long friends.

All 9-10 year old classes held Saturdays from 10:00 AM-12:00 PM

## Oct. 1 - What's for Lunch?

Are you hungry to learn about what animals eat? Find out what we feed all of our animals by getting a behind-the-scenes look at our zoo kitchen, and be prepared to whip up something while you are here!

## Nov. 12 - Jr. Zookeeper

Come to the Zoo to find out what the day in the life of a zookeeper really means! Get ready to be hands-on with exhibit cleaning and have an up-close look at our animals.

## Dec. 10 - Dr. Zoolittle

Do you want to be a veterinarian when you grow up? Come to the Zoo to see some tools of the trade, and learn what we do when an animal gets a cut or toothache.

## Jan. 21 - Caught Red Pawed @ GR Public Museum

A crime has been committed at the museum and you are our WILD detectives! By use of forensic science, figure out "who-done-it" and solve a CSI (crime scene investigation) case!
