

John Ball Zoo Presents:

Z's Kids Club Animal Outreach Program!

What: The John Ball Zoo is promoting kids to *Get Wild!* Animals across the world have unusual or interesting physical & behavioral characteristics that make them WILDLY creative, and John Ball Zoo wants to spread the word. The *Z's Kids Club Animal Outreach Program* will consist of a 30-40 minute sit-down live animal presentation with animal Biofacts (i.e. skulls, furs, shells, etc.), and a take-home bookmark. If your library is showcasing a particular book or animal-related reading theme, JBZ's Outreach Programs are a great way to bring those characters ALIVE!!

When: *Z's Kids Club Animal Outreach Program* is available year round!

Where: Z's Show will travel to your library.

Why: To foster an appreciation of animals and our natural world through reading and interaction, thereby exciting children to become "wildly excited" about reading!
